

Are you interested in creating fiction?
Do you need help getting started? Do
you want to focus your creativity?

You're in luck. Award-winning author, Hank Quense, has created a series of guides that cover the basics of fiction writing. In conjunction with his popular

four-session Create a Short Story Workshop and his book, Build a Better Story, he has written and produced these guides with the beginning fiction writer in mind. The guides provide an easy to follow method of created fiction.

Fiction Writing Guides:

- Create a Short Story Workshop
- Manage the Story Design Process
- Story Design Forms
- Build a Better Story
- Fiction Writing Articles

Fiction Writing Guides Bundle

The Workshop consists of the slides and presenter's notes for all four sessions. These form a unique tutorial. Manage the Story Design Process is a series of illustrated checklists that can allow the writer to rapidly assess his work. Story Design Forms are blank sheets Quense developed for his stories. Build a Better Story is a book filled with writing advice and instructions. The Fiction Writing Articles contains four articles. The Fiction Writing Guides Bundle contains the Workshops slides and notes, Manage the Story Design Process, Story Design Forms and Build a Better Story.

Credentials:

Hank has written a dozen novels and collections of stories. He has been published by a small indie publishing house, has self-published and now has his own publishing company, Strange Worlds Publishing. He has written fifty short stories and over a dozen articles on fiction writing. He is the creator of Faux News Network reports, a series of satiric looks at today's world.
